

The 2009 Rocket City Marathon is excited to announce that a portion of the marathon proceeds will be donated to the Huntsville Hospital for Women & Children's Pediatric Oncology program.

The marathon committee will also be collecting Christmas gifts to take to the children that are in the hospital during Christmas. We would like to encourage all marathon participants to bring a small gift us to take to the sick children during the holidays! If you have specific questions about the charity please feel free to contact me at suzanne@fleetfeethuntsville.com.

Thank you for making a difference!
